RECORD-HERALD WILL NOT PUBLISH MONDAY

To observe the New Year and also to allow its employes to participate in the exercises marking the dedication of the municipal wharf, the Record-Herald will not publish on Monday, January 1.

The past year has been a very successful milestone in the progress of the Record-Herald, which takes this means of wishing its friends, advertisers and subscribers a prosperous and joyous livihood for the approaching twelve months.

Tuesday's issue of the Record-Herald will contain all the news of the two preceeding days.

AT MARTINEZ

Freeholder J. O. Ford was a business visitor at Martinez yesterday.

DROWNING CAUSE OF MAN'S DEATH IS JURY'S VERDICT

Brevity has taken the place of lengthy verdicts rendered by coroner's juries. A jury sitting in the death of John Gavin, found floating in the bay waters several days ago, brought in a verdict of "drowning" last night.

No cause for his death, other than he had evidently fell into the bay waters, was advanced by the jury which was composed of H. G. Stevens, foreman; R. E. Redmond, N. C. Anderson, E. Alter, J. G. Price and T. W. Adams.

YOUTH BECOMES VIOLENT; TAKEN ON A STRETCHER

(Special to Record-Herald)

MARTINEZ, Dec. 30.—R. Bradin, Richmond youth, suffering from a mental derangement, who had to be brought into the sheriff's office on a stretcher last evening, was today committed to the Napa state asylum.

Bradin became quite violent in actions while in the custody of two Richmond officers and was placed on the stretcher for safety.

POWDER WORKER HAS HAND HURT BY BOX

$121 DAMAGE SUIT SETTLED FOR $1

A damage suit for $121 which a contractor of this city filed against T. Fukushima, a Japanese florist, as the result of several weeks ago in auto collision at Tenth street and Russell avenue, was settled for one dollar and court costs before Judge Roth today.

In the judge's opinion both men were equally responsible for the accident.

Attorney C. D. Horner represented Fukushima and Attorney Daniel Burton appeared for Brown.

PINOLE PIONEER IS LAID TO REST FRIDAY

PINOLE, Dec. 30.—The funeral of the late Frank Olivera, for many years a resident of this place, was held yesterday morning. Mass was said in St. Joseph's church and interment followed in St. Mary's cemetery, many friends of the deceased and the family escorting the remains to their last resting place.

SHERIFF DAVIS HERE

Sheriff George T. Davis of Stanislaus county was a visitor here yesterday enroute to San Quentin with a prisoner. He stopped at the Imperial Hotel for a short time as the guest of E. L. Brown and James Graham.

LOCAL MAN IS HEIR TO PART OF $5000 ESTATE AT CAPITOL

SACRAMENTO, Dec. 30.—Robert Byrne has petitioned the superior court for letters testimentary and also for the probate of the will in the estate of the late James Byrne, who died December 24, 1916. The petitioner is named in the will as executor. The property is to be divided equally between the seven surviving children of the deceased.

The estate consists of $2,000 on deposit in a San Francisco bank, a mining claim, value unknown, and a mortgage for $2,500. The legatees are: James D. Byrne, Chico; Mary Compton, Smartsville; John B. Byrne, Fairoaks; Robert E. Byrne, Emmaton; Henry J. Byrne, Richmond; Rose Wilburg, Oroville.

COMMITTEE CHOSEN TO NOMINATE HEADS FOR SOCIAL BUREAU

A nominating committee composed of Robert Pillow, C. S. Gibson and Mrs. J. G. Gerlach was appointed by the Social Service Bureau last night to arrange for the appointing of new officers for that organization. The election of the new officers will take place January 5.

The hospital committee of the bureau received the endorsement of the organization to sell flowers and pictures of Richmond at the New Year's celebration Monday.

BURGLAR CHARGE REDUCED FOR HARRYWADE

PINOLE, Dec. 30.—Harry Wade, who was arrested by Officers Fraser and Poe for entering a room at the Hercules boarding house and taking some clothing, had his preliminary hearing before Justice Terry yesterday. The charge of burglary against the prisoner was reduced to petty larceny. He pleaded guilty to the latter charge and was sentenced to six months in the county jail.

PARADE CHAIRMAN IS ANXIOUS ABOUT CARS

All auto owners of this city who wish to loan cars for use in the New Year's parade on Monday afternoon are requested to communicate with Charles Donnelly, chairman of the parade committee, at Richmond 51.

Donnelly would like the car owners to specify the size of their car so that some idea of the people to be carried may be made.

DEDICATION OF $250,000 PIER TO MAKE NEW YEAR A GREAT EVENT

GREETING

To the visitors within our gates we extend our most cordial welcome and to all, our best New Year's greeting, and may this day be long remembered as one of the most pleasant and joyful of your lives.

On the first day of January, nineteen hundred and seventeen will mark an epoch in Richmond's history, as we celebrate the completion and opening of the municipal wharf, tunnel and highway of the inner harbor project.

NEW YEAR COMMITTEE.

THEODORE A. BELL, prominent San Francisco attorney, who will be one of the principal speakers at the dedicatory exercises of the new municipal wharf Monday.

The big show will be on tonight. The committees for the New Year's celebration held their final meeting previous to the event, last night. All committees have done their work thoroughly and well and the people of Richmond will demonstrate to the thousands of visitors who will be in our city on New Year's day that she knows how to "do things."

Don't fail to join the crowd of merrymakers along Macdonald avenue tonight, for the big Mardi Gras will be on early in the evening and continued just as long as you want to stay. Two brass bands will keep the air filled with music and the holiday spirit will prevail everywhere. Watch for that "horrible" parade, headed by the grand "skukyukus." It will parade up and down Macdonald avenue in fantastic glory. Don't miss seeing this spectacular event.

On Monday at 1 o'clock the big parade will start at Sixteenth street and march over to the Point where it will disband and plenty of jitneys will be on hand to take th big crowd over to the wharf where the exercises of the day will be held. The parade will be headed by the mayor and the city council, followed by the general committee of the celebration and drill teams, drum corps and bands galore.

Will there be many outside people here? Well, I guess yes.

The influx of outside people will start this afternoon when a delegation of 125 Stockton Moose will arrive, and remain here until after the big carnival is ended. This bunch of visitors will be taken in charge by the local order of Moose and entertained during their stay here.

On Sunday they will be taken for a drive to Winehaven and through the factory districts of Richmond.

Oakland, San Francisco, Alameda, Berkeley and San Jose will be represented by big delegations on Monday.

State Senator J. C. Owens has provided a rare treat for those who go to the wharf on Monday, for he has secured Honorable Theodore A. Bell to deliver an address in the afternoon.

Our own eloquent speakers, Judge D. J. Hall, Rev. Thomas A. Boyer and Rev. Frank Linder, will be heard in short addresses. The entire program for the afternoon and evening will be filled with interesting features.

At the meeting last night a communication was read from Edward J. Rainey, private secretary of Mayor Rolph of San Francisco, stat-

CURRY MAY HAVE TO RE-OPEN FARM LOAN BANK FIGHT

SACRAMENTO, Dec. 30.—Congressman Charles Curry has been asked by the Chamber of Commerce of this city just what steps would be necessary to secure a rehearing in the establishment of the federal farm loan bank. The bank was recently assigned to Berkeley.

This location is said to be rather inconvenient owing to its long distance from the actual farming country.

MGR. HARRY HOWE OF THEATER TO LEAVE

Harry Howe, one of the best liked managers who ever handled the show business at the Richmond theater, leaves next week for San Francisco to enter the employ of a San Francisco film exchange.

Howe will be succeeded by A. E. Northey, of Berkeley, who comes to Richmond as a well recommended showman.

WAR TIME EXPERIENCES TOLD BY DR. P. SAYLOR

Dr. Perry Saylor, general manager of the Goodyear Rubber company for Canada, Australia, New Zealand, Russia and a great many of the other European countries, was a Christmas guest at the home of Harry Ells. Dr. Saylor and wife have just returned to the United States from London, England, and have had ample opportunity to observe actual war-time conditions among our British cousins.

They declare the English people are extremely optimistic regarding the outcome of the war and are bearing up under the many deprivations which they are compelled to undergo with the utmost good nature, confident that better times are in store for them in the near future.

LITTLE GIRL WRITES SANTA AT HEAVEN, CAL.

NEVADA CITY, Dec. 29.—Little Mary Schmidt of this city is a booster for California. A few days ago she addressed a letter to Santa Claus telling him of her wishes for the Christmas season. Not knowing just where Santa Claus could be found she addressed her letter as follows: Santa Claus, Heaven, Cal.

Needless to say, it reached Santa Claus because if there is a Heaven anywhere on earth, it is in California.

EASILY DECIDED.

This Question Should Be Answered Easily by Richmond People.

Which is wiser—to have confidence in the opinions of your fellow-citizens, of people you know, or depend on statements made by utter strangers residing in far-away places? Read the following:

Mrs. E. V. Wootten, 245 Fifteenth St., Richmond, says: "My kidneys were disordered and I had pains in my back. There was a dull, heavy ache in my back and when I walked, every step seemed to jar my whole system. I was very nervous and the least annoyance made me excited. My feet swelled so badly that I couldn't put my shoes on and there was a retention on the kidney secretions. Two boxes of Doan's Kidney Pills gave me great relief, helping me in every way."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Woollen had. Foster-Milburn Co., Props., Buffalo, N. Y.

HEALTH

Chiropractic was discovered by D. D. Palmer, Davenport, Iowa, in 1895. A patient, who had been deaf for 17 years, came to Dr. Palmer, complaining of pains in his back. Dr. Palmer found a bony lump in the neck, just below the head. After pressing and working on this lump it snapped. The bone (or vertebra) went back into normal position and a few days later the patient's hearing was fully restored. This was the birth of the new science, CHIROPRACTIC, locating the CAUSE of disease.

If you are sick, have tried other methods and failed, call upon or write the only graduate in the west bay region from the Palmer School, the fountain head of this science, who will give you a free analysis.

ROYAL HAWAIIANS COMING TO THE RICHMOND ON NEW YEARS DAY

WILLIAM H. THOMPSON AND MARJORY WILSON IN TRIANGLE FEATURE. "THE EYE OF THE NIGHT."

A. E. Northey, the new manager of the Richmond Theater, succeeding Harry Howe, has arranged an exceptional program for New Year's day.

"The Royal Hawaiian Review," the largest act ever billed for the Richmond Theater, containing 12 people and is a wonder, it being billed for the express purpose of having a good show for the visitors at the New Year's celebration, as well as for the home patrons.

William and Fuller, featuring this week at the Empress theater in San Francisco, will also appear on the bill.

"Hell to Pay Austin," with Wilfred Lucas and Bessie Love, will be the film attraction Monday.

Tomorrow a singing comedienne heads the program. Three other acts, equally as good are also billed for tomorrow. The picture is "The Eye in the Night," featuring William H. Thompson and Majorie Wilson.

POINT CHURCHES IN WATCH SERVICES

There will be a union watch night service with the First Methodist and the Baptist congregations to be held in the First Methodist church tomorrow night.

A fine program has been prepared for the occasion, consisting of short addresses by the two pastors, readings, testimonies, special music, vocal and instrumental selections, a short recess at 11 o'clock and closing the meeting with prayer and consecration.

It is earnestly hoped that a large number of pople will spend the closing hours of the year 1916 in this religious way.

If you cannot attend the whole time, come for some of the program. Every minute will be interesting and profitable.

TRAVEL BOOKS RECEIVED AT CITY LIBRARY

City Librarian Miss Della Wilsey wishes to thank A. D. Partoll, Mrs. J. M. Irwin, Mrs. J. L. McGowan and John E. Gough for gifts to the library during the past month.

In speaking of the new collections Miss Wilsey said:

"After the busy holiday season is over the people usually have more time for reading. This month the library will have a special collection of its latest, best and most interesting books of travel. Why not see 'America first' through books and learn the many interesting things about other countries also? Real travelers are of primary interest, of course, but each of us has the opportunity to be an interesting and appreciate travel through the happy medium of books.

"Later there will be on the exhibit table books of house plans, ideas of domestic architecture and interior decorating which should be of special value to the prospective builder. There are books which treat the building of bungalows, colonial houses, deweling houses, large and small, giving explanations of specifications, excavation, foundations, plumbing, gas, electric lighting and other practical details."

OAKLAND ORPHEUM

In order to accomodate the immense crowds that always seek admission to the Oakland Orpheum on New Year's eve, the Orpheum management announces that two complete shows will be given on Sunday night, one beginning at 7:30 and one at 9:30. Each will be complete in every detail.

The new bill that goes on tomorrow at the Orpheum has the look of an especially attractive program including some of the greatest names in all the world of vaudeville.

Eddie Leonard has become as popular a vaudevillian as he was a minstrel and that is saying a good deal, for very few of the men who have put burnt cork on their faces and sat in a semi-circle have enjoyed the real friendship of the theater-going public as much as this ingratiating Eddie Leonard. The mellowness of the Leonard voice and innumerable other favorable qualities have created for their owner a lasting place in the hall of fame. His new vehicle is called "The Minstrel's Return," and is a little story of the south in a musical setting.

While vaudeville taps every artery for its talent, it has a very broad vein of pay dirt of its own. There are artists in diversified lines who have made their reputations in vaudeville and are perfectly contented to remain in vaudeville, thoroughly satisfied with the fact that they are stationary lights and not shooting stars. Among the dramatic players of this category are Homer B. Mason and Marguerite Keeler. Whenever they are announced on a vaudeville bill, it is equivalent to the announcement that a star, of the purest ray serene, is about to appear in a new play. The combination recently confined their efforts to playlets by Porter Emerson Browne. Although Mr. Browne is one of the best known contemporary authors, he is probably best remembered for his "A Fool There Was." He wrote "In and Out" [illegible] and 5th Streets" [illegible] Theodore [illegible]ng by Carrie Ellsworth.

Mason and Keeler, who played this piece for two years, and also "Married," which is their present vehicle. This is a vaudeville gem, and is said to surpass any of the former playlets.

About as human a lot of figures as were ever contrived participate in the Miniature Revue, manipulated by Lillie Jewell Faulkner. In fact, the only thing these figures do not possess which humans do is a brain, and Miss Faulkner seems to have plenty of this necessity to supply all her manikins. The Miniature Revue is a revue in which all of the characters are little wooden figures that are made to behave like real men and women by the adroit use of strings, hinges and wires.

Instrumental music in vaudeville is given a further uplift by Cecil Parks and William Conway, violin and piano virtuosas. These young people are musicians of the first water and their future is of the greatest promise. They are products of the Golden West, where their standing is of the very highest.

Mabel Russell, who is known privately and professionally as Mrs. Eddie Leonard, and who for the past two years has materially assisted her husband in his artistry, is sailing the vaudeville sea in a craft of her own called "Call It What You Like," and is a cluster of words in a musical setting cemented with terpsichore. Miss Russell is still under her capable husband's direction. He has formed for her a partnership with Marty Ward, of musical comedy fame, who possesses his full share of vaudeville requirements.

During the last two years many of the accustomed paieties of the foreign capitals have been sacrificed, and many of the stage favorites who have been accustomed to appearing abroad almost exclusively, have been compelled to seek engagements elsewhere. Of this number is Rena Parker, an American girl, who sings a number of songs in appropriate costumes in a captivating manner of her own. Miss Parker is exceedingly pretty, with a Parisian chicness which is not to be found in an American comedienne.

The Misses Leightner and Newton Alexander, a trio of great funmakers will return for a week's engagement and this will be good news to those who enjoyed their fun last month.

The program will open with Mlle. Doris's beautiful canine novelty and will be brought to a conclusion with special Paramount pictures.
